RN SHETTY TRUST®
RNS INSTITUTE OF TECHNOLOGY
Autonomous Institution Affiliated to Visvesvaraya Technological University, Belagavi
Approved by AICTE, New Delhi, Accredited by NAAC with 'A+' Grade Channasandra,
Dr. Vishnuvardhan Road, Bengaluru - 560 098
Ph: (080) 28611880, 28611881 URL: www.rnsit.ac.in

Department of Computer Science & Engineering

MAJOR PROJECT-DIARY

Subject Code – BCS685

For Sixth Semester B.E. 2023 Batch [VTU/CBCS, 2022 Scheme]

Batch No.	USN	Student Name
3	1RN23CS005	Abhijeeth K V
	1RN23CS018	Akarsh Raj M Hulihalli
	1RN23CS068	Deepthi D R
	1RN23CS092	Jaishnav Kalmangi

2025 - 2026

VISION AND MISSION OF INSTITUTION

Vision

Building RNSIT into a World Class Institution

Mission

To impart high quality education in Engineering, Technology and Management with a Difference, Enabling Students to Excel in their Career by

1. Attracting quality Students and preparing them with a strong foundation in fundamentals so as to achieve distinctions in various walks of life leading to outstanding contributions
2. Imparting value based, need based, choice based and skill based professional education to the aspiring youth and carving them into disciplined, World class Professionals with social responsibility
3. Promoting excellence in Teaching, Research and Consultancy that galvanizes academic consciousness among Faculty and Students
4. Exposing Students to emerging frontiers of knowledge in various domains and make them suitable for Industry, Entrepreneurship, Higher studies, and Research & Development
5. Providing freedom of action and choice for all the Stake holders with better visibility

VISION AND MISSION OF CSE DEPARTMENT

Vision

Preparing Better Computer Professionals for a Real World

Mission

The Department of Computer Science and Engineering will make every effort to promote an intellectual and ethical environment in which the strengths and skills of Computer Professionals will flourish by

1. Imparting solid foundations and applied aspects in both Computer Science theory and Programming practices
2. Educating and preparing the graduates, highly sought after, productive, and well-respected for their work culture
3. Providing training and encouraging R&D and Consultancy Services in frontier areas of Computer Science with Global outlook
4. Supporting and inducing lifelong learning
5. Fostering the highest ideals of ethics, values and creating awareness of the role of Computing in Global Environment

Major Project Phase -I -Evaluation

Sl. No.	Criteria for Evaluation	Max. Marks
A	**Synopsis Submission** (i) Problem Identification – **5** (ii) Literature Survey– **5** (iii) Objectives and Scope – **5** (iv) Methodology / Implementation –**5**	**20**
B	**Evaluation-1** (i) Review of Literature Survey – **5** (ii) System Design – **5** (iii)Methodology – **5** (iv) Presentation & Initial Progress – **5**	**20**
C	**Evaluation-2** (i) Prototype/initial implementation– **5** (ii) Dataset/Tools Identification– **5** (iii) Technical Understanding– **5** (iv) Progress & Planning – **5**	**20**
D	**Research Paper Preparation & Publication** (i)Writing paper based on literature survey or preliminary work – **5** (ii)Presentation in conference/submission to journal/symposium – **5**	**10**
E	**Weekly Interaction and weekly report Maintenance** 1. Weekly Interaction – **5**	**05**
F	**Project Report** (i)Phase-1 report formatting – **25**	**25**
	Total Marks	**100**

Major Project Phase -I -Rubrics

		Criteria	Excellent (100%)	Good (80%)	Average (60%)	Poor (40%)	Marks
A	**Synopsis Evaluation Rubric (20 Marks)**	Problem Identification	Problem clearly defined with strong motivation	Problem defined but needs refinement	Problem partially defined	Problem Unclear	**5**
		Literature Survey	Comprehensive review with recent papers	Good review with few references	Limited review	Very few/no references	**5**
		Objectives & Scope	Clear, measurable objectives	Objectives mostly clear	Objectives vague	Objectives unclear	**5**
		Methodology	Well-defined approach with tools identified	Methodology mostly defined	Partial methodology	No clear methodology	**5**
B	**Evaluation-1 Rubric (20 Marks)**	Review of Literature Survey	Critical comparison of research papers	Good understanding of papers	Limited analysis	No analysis	**5**
		System Design	Clear architecture/UML/ block diagrams	Good design with minor gaps	Basic design	Poor design	**5**
		Methodology	Well-defined approach with tools identified	Methodology mostly defined	Partial methodology	No clear methodology	**5**
		Presentation & Initial Progress	Clear explanation and answers	Mostly clear	Some confusion	Poor explanation	**5**
C	**Evaluation-2 Rubric (20 Marks)**	Prototype/ initial implementation	Working prototype developed	Partial implementation	Minimal progress	No implementation	**5**
		Dataset / Tools Identification	Proper dataset/tools identified	Tools identified	Limited identification	No clear tools	**5**
		Technical Understanding	Strong technical clarity	Good understanding	Moderate knowledge	Weak understanding	**5**
		Progress & Planning	Clear future roadmap	Reasonable plan	Partial planning	No plan	**5**
D	**Research Paper Preparation & Publication (10M)**	Writing paper based on literature survey or preliminary work	IEEE format followed perfectly	Minor formatting issues	Basic structure	Poor structure	**5**
		Presentation in conference/ submission to journal/ symposium	Project work/Survey Paper is published or accepted in a reputed journal or international/national conference with the student(s) as author(s).	Survey Paper is submitted to a reputed journal or international/national conference and is under review. Work aligns well with the project outcomes.	Survey Paper is prepared in standard format and ready for submission, but not yet submitted. Content reflects the project work adequately.	No publication attempt made or manuscript not prepared.	**5**
E	**Weekly Interaction and weekly report Maintenance(5 M)**	Weekly Interaction	Attends all weekly interactions regularly, and submits a well-maintained, detailed weekly report on time.	Attends most weekly interactions and submits a properly maintained weekly report with minor gaps.	Attends weekly interactions but shows limited participation; weekly report is submitted but lacks detail or consistency	No participation in weekly interaction and no report submission	**5**
F	**Project Report (25M)**	Phase-1 report formatting	Report is well-structured and complete. Problem statement, objectives, methodology, results, and conclusions are clearly presented. Content is technically sound, well-written, and properly formatted with correct references.	Report is clear and mostly complete with minor gaps. Technical content is correct. Organization and formatting are acceptable, with minor language or referencing issues.	Report is incomplete or poorly organized. Technical content is minimal. Several sections are weak, unclear, or missing. Formatting and references are inadequate.	Report is poorly written or largely incomplete. Technical content is incorrect or missing. Does not follow the prescribed format or guidelines.	**25**

UN SDGs:

1. No poverty
2. Zero hunger
3. Good health and well-being
4. Quality education
5. Gender equality
6. Clean water and sanitation
7. Affordable and clean energy
8. Decent work and economic growth
9. Industry, innovation and infrastructure
10. Reduced inequalities
11. Sustainable cities and communities
12. Responsible consumption and production
13. Climate action
14. Life below water
15. Life on land
16. Peace, justice, and strong institutions
17. Partnerships for the goals
